## **III. IN THE CLAIMS**

6. Please amend the claims as follows:

- b) The dependencies in claims 29 and 30 (now claims 30 and 31) must also be renumbered as "claim 29".
- c) In claims 11, second 27, 30, 34, and 39 (now 11, 28, 31, 35, and 40, respectively) delete the extra term "data" in "run length data field" such that there is agreement with the antecedent basis, i.e. "run length field" as the term is first presented in claim 11.
- d) In claim 37 (now 38), an "s" is added to the term "pixel" to correct it to plural form, and "less than or less" is changed to "less than or equal to" to make sense.
